PREPARING FOR ANDY AT YOUR CONFERENCE

- A quality sound system with 1 microphone. I need a music stand (for notes) and a chair.
- NO SCREEN OR PROJECTOR REQUIRED. I do not use PowerPoint.
- Please email me the schedule for the day as soon as possible so I can prepare my programs for your day. I enjoy being as busy as possible during your event.
- Please include the address to the conference site and note anything special about the room location and parking arrangements.
- Do you require a photo and Bio on me for your program? My website has a bio (under resources), presentation content and profile photos. It is also below.
- Please include my website in your program manual and promotional materials.
- I have handouts for my leadership workshops. I can provide them ahead of time and you can print and include them in your program manual OR make them available as PDF downloads on your event website.
- I will report to the conference at least 45 minutes prior to the presentation time. Please have someone available to greet me.
- I have accommodated audiences in all seating situations: chairs, bleachers, floor: 25 to 1500 students.
- Please have a name tag and schedule available for me upon arrival. If there is a conference shirt, I would enjoy wearing it. My size is medium.
- My introduction is below.
- The keynote and workshop length is completely flexible to your schedule. I will adjust all of my programs to fit your needs. I look forward to discussing your program and meeting your needs.
- Do you have a conference theme? Please share ahead of time and I will include it in my program.
- Is there a dress code for a special meal that I may be attending? Anything else I should know before I arrive?
- IMPORTANT: When I arrive at the conference, please have a listing of all attending schools and their teacher advisors ready for me. I use this in the course of my program as I involve the different schools. It also helps in the follow up for my program. If this list would include work emails, that would be appreciated. If not, just a list of schools would be appreciated.
